Hi Breann,

Regarding 20.292 (1) (ce) and 38.04 (20) in LRB-1117, it looks like the result you want is to *allow* (not require) the board to make grants in 2013-14 for this purpose, and then repeal both sections on July 1, 2014. Is that right?

Hi Peter,

A few more edits:

**LRB 1180/4 – Impose limits on district levy**  
Section 3, line 8 – “of” should be “or”

**LRB 1117/2 – Consolidate GPR grant appropriations**

1. Repeal 20.292 (1) (ce) Basic Skills Grants (in FY15)
2. Change “shall award” to “may award” in 38.04(20)

- a. 38.04(20) Basic skills instruction in jails and prisons. From the appropriation under s. 20.292 (1) (ce), the board shall award grants to district boards for providing basic skills instruction in jails and prisons.
3. Repeal 20.292 (1) (fp) Emergency medical technician (in FY15)
  - a. There is no corresponding language in chapter 38 related to this – which means the program would be eliminated

I might have one more change to this one in the am (waiting for a response to a question) – related to adding discretion for the board to spend \$\$ out of the new grant appropriation.

Hi Peter,

Yes - it should retain the board's authority to make grants for basic skills instruction in jails and prisons (but not require it) - from the new alpha - starting July 1, 2014.

Hi Breann. I thought you wanted to allow (instead of require) the board to make those grants in 13-14, and then eliminate that grant program altogether on July 1, 2014. (That's why it's repealed effective 7/1/14.) Instead, it sounds like you want to retain the board's authority to make grants for that purpose, but from the new appropriation. Is that right?

Peter

Hi Peter,

Section 20 revises the language in chapter 38- related to basics skills instruction in jails and prisons. (this change is fine).  
Section 21 - seems to repeal the language in section 20 (unless I'm misunderstanding something). (If it repeals the corrected language - it should be removed from the draft).

Let me know what you think.

HIGHER EDUCATION

This bill eliminates a number of separate appropriations to the Technical College System (TCS) Board for grants to technical college districts for various purposes and, with *two* exceptions (the elimination of aid for driver training and the ~~elimination of grants for providing basic skills instruction in jails and prisons~~), provides for the funding of the programs through one consolidated appropriation. The bill provides that all such grants are discretionary, not mandatory, and also authorizes the board to award grants to district boards for activities that are related to improving district performance. The bill directs the board to submit an annual report to DOA describing how the moneys will be distributed to the district boards and the programs that the moneys will fund.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

**FOR 2013-2015 BUDGET — NOT READY FOR INTRODUCTION**

1 **AN ACT ...; relating to:** the budget.

*Analysis by the Legislative Reference Bureau*

**EDUCATION**

**HIGHER EDUCATION**

This bill eliminates a number of separate appropriations to the Technical College System (TCS) Board for grants to technical college districts for various purposes and, with one exception (the elimination of aid for driver training), provides for the funding of the programs through one consolidated appropriation. The bill provides that all such grants are discretionary, not mandatory, and also authorizes the board to award grants to district boards for activities that are related to improving district performance. The bill directs the board to submit an annual report to DOA describing how the moneys will be distributed to the district boards and the programs that the moneys will fund.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
